**Kate Brown**

**Governor**

**Statement** Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

The people of Oregon deserve and expect a Governor that honors the will of the voters and works for the good of all citizens, not just special interests and politically-motivated agendas.

During and/or before the 2019 legislative session Governor Brown:

Overtaken the will of the voters by granting driver's licenses to illegal aliens

Overtaken the will of the voters by reversing ballot measures that limited taxation

Denied citizens the right to fully protect themselves as guaranteed by the Constitution

Denied citizens protection from the growing domestic terrorist threat known as Antifa

Attempted to deprive Oregon's working families of jobs using faulty environmental policy

Attempted to deprive Oregon's families their right of medical and religious freedom

Failed to address the PERS crisis that threatens the economy and government retirees

Failed to protect Oregon's foster children and failed to cooperate with investigations

Used taxpayer money to launch frivolous million-dollar, politically-motivated lawsuits

Repeatedly supported the use of the "emergency clause" on non-emergency legislation

(effectively denying the voters of Oregon a voice on legislation they opposed)

She has threatened to usurp legislative power with executive orders to implement her failed legislation, deciding single-handedly what is best for Oregon. This is not the Oregon way.

**Chief Petitioner Information** The chief petitioner must remain throughout the petition process or the petition is void.
